

Frequently Asked Questions

What is a mini session?

A mini session is 20 minutes and usually a fun, themed session! You receive 15 edited photos in an online gallery with the option to purchase more!

What themed minis do you offer?

They differ from year to year, but I ALWAYS have Christmas, Back to School and Easter! I have done other fun ones like Gloss Mountain Minis, Mommy and Me, Picnic/Summer themed, Halloween, Fall and more!

What is included in a full session?

A full session is one hour, 2-3 outfits and locations and 65+ photos in an online gallery! For groups over 10 people, there is an additional fee per person.

Where are you located?

I primarily do sessions in NWOK around Fairview and Waynoka! However, I live in OKC and am also around the Lake Eufaula area often! I also travel!

How far do you travel?

I will travel 30 miles from Fairview, Waynoka, Eufaula or OKC for no fee. Anything over 30 miles, requires an extra travel fee!

Do you shoot weddings?

I do not shoot weddings. I love shooting couple's engagement photos though!

How long have you been a photographer?

I have been professionally a photographer for 2 years! However, I have been doing photo sessions for friends and family for much longer!

How long will it take to receive my gallery?

I generally try to have galleries delivered within a week to two weeks at the most! Please remember I am a full time student pursuing my doctorate degree in physical therapy! So while I would love to have your gallery to you within a day, sometimes it is not possible due to my rigorous school schedule!
